

SOUTH-DOYLE HIGH SCHOOL BAND

2020-2021 Parent Volunteer Form

Parent Name _____ Phone _____

Student Name _____

The South-Doyle High School Band program needs parents! Without parents we would not be able to do the fun and educational things that we offer our students. We need your help with skills or talents that you can bring to our band program. Involvement is a great way to meet your child's friends and meet other parents. Choose as many or as few areas as you like. We will contact you with information about how you can help with your child's band experience.

Please put a check to the left of any and all areas you would like to assist with.

Band Camp
